Welcome.
We are delighted that your group is here. Here are a few points to help prepare you for your visit and orient you to the Museum.

- You are welcome to take pictures in the permanent collection galleries, but do not use flash.
- Photography may be restricted in the Temporary Exhibition Gallery. Look for signage as you enter this gallery, or ask a Gallery Guide if photos are permitted.
- Please remain a safe distance away from the artwork to ensure you do not touch the art or frames.
- Gum, food, and beverages are not allowed in the galleries. If you need a beverage or snack, the Museum restaurant, Eleven, is open until 2:30 p.m., and the coffee bar in the Main Lobby is open until the Museum closes.
- Ink pens are not permitted in the galleries. Pencils are available at Guest Services if you need one.
- Bags or purses larger than 11”x15” must be left on the bus, or checked in one of our free lockers in the check room, located in the Lower Lobby. We have coat racks there as well.
- Smoking is in the designated area only (outside the South Lobby).
- Free WiFi is available throughout the building. If you have an Apple device (iPhone, iPad or iPod), consider downloading the free Crystal Bridges app from the iTunes store before you go inside. It's the same one on our audio guides and we have ear buds for sale if you need a set.
- Expect cell phone coverage to be limited while you are inside the Museum.
- Please do ask questions. Highly trained volunteers and staff are all easily recognizable and ready to assist.
- Open your mind. Enjoy your visit.

You will enter the museum on LEVEL 4, take the elevator to the main level (L), and cross the courtyard to enter the Main Lobby. From there, you may take the stairs or the elevator to the Lower Lobby (LL), where the restrooms and coat check are located.

Admission to view the permanent collection is sponsored by Walmart. Occasionally, there may be special ticketed exhibitions for which tickets may be purchased at the Guest Services counter.

We're glad you're here.
