Section 1

Registration of Vehicles

Before parking a residential or commuter automobile on campus, students are required to register their automobile at jbu.edu/campus_safety/parking_traffic/. Upon registration, parking decals will be sent to the student's Campus Post Office box. For the Fall semester, decals will be assigned the first week of school. Citations will not be issued the first week of classes to allow decals to be received and displayed. At other times of the year, please allow 2-3 business days for a registration to be processed.

Motorcycles and motorized scooters must register. They should park in areas of parking lots that are striped off, such as corners and ends of rows, but not striped areas adjacent to handicapped spaces. Motorcycles and scooters should not park in regular parking spaces if possible. Three-wheelers, dirt bikes and other off-road vehicles are not allowed on campus.

- Annual automobile registration fee is $25, and will be posted to the student's account.
- Parking decals are valid for the entire school year, both semesters.
- Parking decals designate authorized parking areas. See parking map for authorized areas.
- If a student changes residence location, they must contact Campus Safety to obtain a new parking decal for the new residence area.
- Parking decals will be issued upon registration and must be displayed on the inside of front windshield, passenger side, bottom corner.
- Decals should not be moved from one vehicle to another. If a different vehicle needs a decal, it must be registered separately.
- Day students should register all vehicles that they might drive to campus.

Students driving a borrowed vehicle that is not registered, such as a parent’s car, must contact the Campus Safety Office to receive a free temporary permit, CampusSafety@JBU.edu.

If a student changes vehicles during the year, there will not be an additional fee. The one fee covers one parking space, no matter how many different vehicles the student may have during the year.

Section 2

Campus Parking

Students must become familiar with all parking and traffic regulations located at jbu.edu/campus-safety/parking-traffic. There is not an automatic first Warning. For questions contact Campus Safety at CampusSafety@jbu.edu or 479.215.5000.

- Faculty/Staff and Day Student lots will be open for general parking Monday-Friday in the evening and night hours (5 pm - 7 am), and on weekends.
- Residence Hall lots are reserved for the respective residential students 24/7. Residence Hall lots are NOT open for general parking evenings and weekends.
- Overflow parking for all students is the Tennis Courts lot.
- The Visitor parking spaces are reserved for visitors only. JBU students, faculty, and staff are not visitors.

Section 3

Violations and Fines

The speed limit on campus is posted at 15 or 25 mph. The speed limit in parking lots is 10 mph.

Repeated violations of ‘Failure to Register’ will result in a vehicle being booted.

Multiple violations of any parking or moving violation may result in the revocation of campus driving privileges.

Fines may be doubled for repeat violations.

Fines will be posted to student accounts. Failure to pay fines will result in a hold being placed on student accounts.

The owner/operator of a registered vehicle will be held responsible for all violations and fines.

Section 4

Ticket Appeals

Students who believe they have circumstances that may excuse their parking ticket or traffic fine can appeal to Campus Safety at jbu.edu/campus-safety/parking-traffic.

For a detailed description of all traffic violations, see jbu.edu/campus-safety/parking-traffic.

All student behavior is subject to disciplinary processes described in the Student Handbook. Possible sanctions for any violations listed in this brochure are not limited to fines and penalties herein.

Parking, Using and Storing Vehicles
