Dear Students:

The Graduate Counseling Department is pleased to inform you that there are a limited number of Graduate scholarships available for the upcoming Fall academic year, offered to students in the MFT or DUAL degree programs. An awarded scholarship may be used anytime during the academic year (Fall, Spring, Summer). The awards will be determined by a scholarship committee and will be based primarily on application information and academic records.

In addition to the scholarships, Graduate Assistantships (GAs) are also available to anyone in the Graduate Counseling program. Interviews will be held by the department personnel for the respective positions and hired by the Graduate Counseling Department.

Duties for GAs may include:
- Assisting the faculty with any research/presentation projects.
- Assisting in the CNL 7013 Statistics and Research class.
- Assisting in the CARE Clinic

To qualify for the Graduate Assistantship position, you must be enrolled as a full-time student, must maintain a GPA of 3.0, and must have exceptional performance in a college statistics and research class. Applicants must be available to work 15-20 hours per week. An 18 hour scholarship is included with this position.

You may apply for both a tuition scholarship and the Graduate Assistantship on the Graduate Counseling Scholarship Application form. Some requirements may be combined for both positions. Applications and recommendations must be postmarked by February 12th. Award letters will be mailed out in May.

If you have questions about the scholarship application process, please call the Graduate Counseling Department at 479-238-8630 or email mharmon@jbu.edu

Please print and return the application below to the Graduate Counseling Department as soon as possible. Please print 3 of the GA recommendations to one piece of paper (front and back). The recommendation forms are only required if you are applying for a GA position.

GA RECOMMENDATION FORM

Three recommendations are required as part of your application for the Graduate Assistantship (GA) position. These recommendations should be completed by someone (not a relative) who is familiar with your professional and/or personal goals.

Applicant’s Name: _______________________________________________________ Phone:(______)__________________

Address: ______________________________________________________________________________________________
Number and Street City State Zip

I waive my right to access this recommendation. Signature:___________________________________________ Date:__________________

Recommender’s Name:____________________________________________  Phone:(______)_________________________
Address:_________________________________________

Organization:______________________________________________ Position:_____________________________________

Signature:______________________________________________________________Date:_____________

Recommendation:
Please complete all sections of the recommendation form. The student cannot be considered for the positions without this recommendation. Thank you.

1. How long and in what capacity have you known the applicant?

2. What do you consider to be the applicant’s strongest skills or traits?

3. What areas of growth do you recommend for the applicant?

Please evaluate the applicant’s qualifications by circling the appropriate number in each box.
