3. **Plan your new schedule** (See Procedure Item 3)
4. **Register online for Summer 2021 courses** (See Procedure Item 4 for instructions and dates)

Procedures:

1. Beginning March 15, you will be able to login to **EagleNET**, click on your Notifications and follow the link to Pre-Registration. You **must** complete this in its entirety and submit it online. **Failure to complete and submit this pre-registration will result in your NOT being able to register online for your classes during your registration time window.**
2. Meet with your academic advisor and select classes.
3. Using the Academic Planning module on Eaglenet, set up your schedule
4. Register online.

Registration for Summer is open **Monday, March 29- Sunday, April 18, 2021**. If you are registering for Online Undergraduate Courses you may also register for your Fall 2021 courses at the same time.

Things to Remember

- Be sure that your account is **NOT** on hold from any departments (Student Accounts, etc) before your registration time. These holds will block your account and will delay your registration until they are cleared.
- You must complete the online Pre-Registration through EagleNET **before** you can register for classes.
- The Summer 2021 schedule will be available on Eaglenet and will be updated regularly.
- You must complete the online Pre-Registration through Eaglenet before you can register for classes.
