Prior to the actual competition, teams must prepare a Project Report to include design specifications of their prototype and explanation of how it meets the design parameters. This should be submitted to the judges via the Competition Web-Site not later than March 30, 2013.

Report should include the following:

- Review of Existing Emergency Shelter Designs
- Explanation of Method of Design of the Team Prototype
- Validation that the prototype meets design criteria (size, cost, etc)
- How the shelter is culturally appropriate to the given scenario
- Suggested possible modifications or improvements to the prototype
