

SEA Entertainment Director

This position is responsible for all music-based programming. These events include, but are not limited to, the Welcome Back Concert, coffee houses, and The Next Big Thing. Often times this person will work with outside management groups and bands. Knowledge of and interest in music is preferred. The Entertainment Director also provides general support to the other SEA programs (ie. helping with setup/tear down, creating playlists, audition nights for TNBT, etc.). This position regularly attends SEA meetings, participating in the brainstorming and implementation of events, leading most music-based. Important skills include organization, time management, interpersonal skills and flexibility.

Required: 2.5 GPA; in good standing with the university
