______________________________________________

By signing below, I ______________________________ am accepting an SGA Senator position for the 2014-2015 year and am in agreement with the following:

- As a Christian servant-leader, I will strive to be a positive model of Christ-like leadership, living a lifestyle above reproach and in full submission to the expectations and standards of the University outlined in its student handbook and Community Covenant.
- I understand that each member may represent one group only, and must continue to represent the constituency that elected the senator throughout the course of his/her tenure.
- I understand each member must be enrolled and registered for 12 or more hours for the full semester.
- I understand that no student currently on or having been on developmental contract or disciplinary probation for the preceding semester may be a member of senate.
- I understand that this is a significant leadership position requiring at least 2-4 hours of my work per week. I, therefore, agree to give this position a reasonable share of my energy.
- I understand that in order to perform my duties well, there will be training required and that I will need to commit to attend weekly Senate meetings for the 2014-2015 year.
- I understand that it will be a primary role of mine to assist in the planning and preparation for SGA-sponsored projects and events.
- I have read, understood, and agreed to the job description for my position, as listed in the constitution. I further agree to perform my duties to the best of my abilities. I enthusiastically commit to serving the Lord, John Brown University, and my fellow students through my senator role (I see this as one of my ministries).

Present the signature of a current member of SGA, signifying that applicant has discussed the duties of the position.

By signing, I acknowledge that I have explained the duties of my position to this candidate.
