## Greetings Brown Military Academy Cadets!

It is with a heavy heart that these words are added to our News & Updates page. At the gathering of 35 cadets and family members in San Diego on October 15, 2022, the majority present concluded that it has become too difficult to plan and populate future reunions. We have held our last organized reunion. Father time is taking its toll as each day rolls by. Many of our cadet members are finding it too difficult to travel because of the infirmities of age.

This is not to say that there will never be another gathering of cadets but such gatherings will have to be organized by an individual who is willing to do the organizing work. This web site will remain active for as long as there is a person to provide input to the personnel at John Brown University who provide hosting service for the web site. I will be responsible for that and keeping the roster current as long as I am able. My eMail address is below. If any member would like a copy of the current roster, please ask - I will send it to you in the format you request. I will continue to be your source for communications to JBU for publication on our web site.

It is also necessary to report the disposition of the funds remaining in our treasury. After all expenses were satisfied an amount of \$4,101.36 remained. The group elected to distribute \$2,051.00 to the Wounded Warrior Project and \$2,050.36 to The Tunnel to Towers Foundation. Both organizations have stellar reputations for helping our veterans.

Lastly, the entire group owes special thanks to Ron & Dottie Schloss, Richard & Judy Parker, Howard Nelson and Bob Downs who spent many hours over the past 30 years helping to keep this organization alive.
