

You at JBU

Your First Days

Be you to others.

You are now a part of our community. Let others know who you are and take time to meet the people around you.

Embrace the space you're in.

Make JBU home! Take advantage of your residence hall, classrooms, study spaces and hangout spots around campus.

Get involved.

You are called to be here, so be here. Show up! Engage with your professors and academic departments. Try out a variety of opportunities and events on campus.

Go with God.

Connect with God every step of the way. Pray often, and be in His Word. Seek Him throughout your time at JBU.

We are praying for you and your transition to JBU. We're here for you!
