ARE THERE DIFFERENT PARTNERSHIP LEVELS?

Yes - Gold, Silver, and Bronze, plus Employer Spotlight options. Each level offers different benefits to support recruitment and student engagement at JBU.

WHY PARTNER WITH THE JBU CAREER DEVELOPMENT CENTER?

Our partnership program increases your visibility and helps you connect with JBU students and alumni. It's designed to support effective, targeted recruiting.

WHAT BENEFITS ARE INCLUDED AT ALL LEVELS?

All partners receive a recruitment strategy session, outreach to JBU faculty, and increased visibility through on-campus promotion, social media, and job blast emails.

WHAT'S THE DIFFERENCE BETWEEN GOLD, SILVER, AND BRONZE?

Partnership levels vary by the number of recruitment and promotional opportunities. See details for a full comparison.

HOW DO I CHOOSE THE RIGHT LEVEL?

Gold is ideal for maximum engagement, including more social media promotion and connections with faculty and student organizations. Bronze is best for more limited, occasional promotion.

IS BECOMING AN EMPLOYER PARTNER WORTH IT?

"We were so impressed with them [interns] both—their work ethic, spiritual maturity, and professionalism were a benefit to the ministry!"

—Mary Salazar, Internship Program Manager, Focus on the Family.

Most partners choose to renew for a second year as they see value in increased visibility, targeted outreach, and successful recruitment efforts.

HOW CAN I GET THE MOST OUT OF MY PARTNERSHIP?

1. Plan your recruitment strategy and timing.
2. Collaborate with CDC staff to showcase your brand.
3. Use your benefits throughout the year.
4. Stay active on Handshake - update jobs, message students, and create events.
